CHARLESTON FIGURE SKATING CLUB

Test Session Schedule

The next test session is scheduled for November 22nd 2009. This is the Sunday after the Mountain State Synchro Skate Competition. The test committee is planning three test sessions for 2010. Tentatively, these sessions will be held on April 11th, August 22nd, and in November the day after the MSSS. Advanced planning and scheduling of upcoming test sessions for each year is being performed to minimize difficulties in obtaining judges and provide our skaters with the greatest opportunity for personal advancement and achievement.

Community Day Fundraiser

The first 2009 CFSC fundraiser is planned for August 22nd at the Ice Arena Community Day. The fundraiser will consist of a bake sale to be held during the Ice Arena Community Day. Each club member (family) is responsible for bringing an item to be sold at the bake sale. Also, volunteers will be needed to work shifts during the sale. Further information concerning sign up for working at the bake sale will be provided soon. In addition to the bake sale, we are considering providing “face painting” as a fundraising activity. If you would rather paint than bake, volunteering to provide face painting will also fulfill your fundraising obligation for this event. Again, additional information will be provided concerning sign ups as soon as is available. If you do not wish to contribute to the fundraiser, a \$ 25.00 “opt out” fee can be paid to the CFSC.

Skate for a Cure

The Ice Arena is planning a Skate for a Cure fundraiser on October 3rd from 10am—8 pm. Further details concerning this event will be provided in the future. The CFSC is planning to volunteer our services at this event with all proceeds going to Skate for a Cure. This is not considered an official CFSC fundraiser and no club obligation is required. However, if desired, volunteers will be needed to assist the rink with fundraising activities. Also, exhibition skating by our members is planned including Synchro and Synchro Too.

Membership

Thank you everyone for timely renewal of your membership! If you have not renewed your membership, please submit your payment soon to insure good standing in the club.

Mountain State Synchro Skate

Mountain State Synchro Skate is scheduled for November 21, 2009. This is considered the clubs most important fundraiser and will need full participation by everyone to be a success. At present, judges are being obtained and information packages will be mailed to prospective clubs in mid-August. Further information concerning the MSSS will be provided as it is available and at the board meetings.

Next Board Meeting—August 20th at 6:00 PM
